

MEETING THE MOMENT

The Campaign for Interfaith Neighbors

COMING TOGETHER TO IMAGINE THE WELCOMING PLACE OUR CHILDREN DESERVE

INTERFAITH NEIGHBORS IS MEETING THE MOMENT WHEN IT COMES TO CREATING A HOME FOR AFFORDABLE, QUALITY EARLY CHILDHOOD CARE AND EDUCATION.

The first years of life are vital and our work over the last 30+ years has taught us that early childhood education and enrichment in a nurturing environment will lead to prepared students and, eventually, knowledgeable and engaged citizens. We plan to create that nurturing environment, ensuring that families and children have access to quality, affordable, accessible child care and education.

Providing a place for these crucial programs will allow families to improve their futures and parents to go to work or further their own education.

IT ALL STARTS HERE

INTERFAITH'S 4,200 SQUARE FOOT EARLY CHILDHOOD LEARNING CENTER WILL:

- >> Provide education and enrichment in a caring environment for children from three months to three years old
- >> Base tuition on a family's ability to pay
- >> Serve as a hub for the entire family, connecting them with additional Interfaith services, programs and networks

THE EARLY CHILDHOOD LEARNING CENTER WILL FEATURE:

- > 3 Activity Rooms/Classrooms
- > Cooking Facilities
- > Nurse's Facility
- > 2 Children's Restrooms/Changing Areas
- > 2 Conference/Training Rooms
- > Outdoor Play Area
- > Controlled Access/Security System
- > Onsite Pickup/Drop-off Area
