### **INDEPENDENT AUDITOR'S REPORT**

TO: THE BOARD OF TRUSTEES INTERFAITH NEIGHBORS, INC. ASBURY PARK, NEW JERSEY

### **Report on the Financial Statements**

I have audited the accompanying combined financial statements of Interfaith Neighbors, Inc. (a nonprofit organization) and affiliates which comprise the combined statement of financial position as of December 31, 2020, and the related combined statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the combined financial statements.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these combined financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of combined financial statements that are free from material misstatement, whether due to fraud or error.

#### **Auditor's Responsibility**

My responsibility is to express an opinion on these combined financial statements based on my audit. I conducted my audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the combined financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the combined financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the combined financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the combined financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, I express no such opinion. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the combined financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

### **Opinion**

In my opinion, the combined financial statements referred to above present fairly, in all material respects, the financial position of Interfaith Neighbors, Inc. and affiliates as of December 31, 2020, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

#### **Other Matters**

Other Information

My audit was conducted for the purpose of forming an opinion on the combined financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the combined financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the combined financial statements. The information has been subjected to the auditing procedures applied in the audit of the combined financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the combined financial statements or to the combined financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In my opinion, the information is fairly stated, in all material respects, in relation to the combined financial statements as a whole.

### Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, I have also issued my report dated December 8, 2021, on my consideration of Interfaith Neighbors, Inc.'s and affiliates' internal control over financial reporting and on my tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of my testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Interfaith Neighbors, Inc.'s and affiliates' internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Interfaith Neighbors, Inc.'s and affiliates' internal control over financial reporting and compliance.

### Note 1 - <u>Summary of Significant Accounting Policies</u> -

Nature of Activities - The Organization is a nonprofit corporation which was formed in 1988. The Organization operates the Monmouth County nutrition program for senior citizens, a rental assistance program for working-poor families threatened with homelessness, and a community development program that includes: an affordable home construction program for low-income families, a neighborhood revitalization program, a business development center, workforce training programs and sustainable food and nutrition programs. The Organization is funded by government grants and donations from private donors and approximately 40 religious congregations of all denominations.

<u>Principles of Combination</u> - The combined financial statements include the accounts of Interfaith Neighbors, Inc. and its affiliates, 1201 Springwood Urban Renewal LLC and IFN Realty, Inc. 1201 Springwood Urban Renewal LLC is a real estate holding company owned 100% by Interfaith Neighbors, Inc. The Organization and 1201 Springwood Urban Renewal LLC have common officers and trustees. IFN Realty, Inc. is participating in the construction of the Parkview affordable housing units. All material inter-organization transactions have been eliminated in the combination.

<u>Basis of Presentation</u> - The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

The Organization reports information regarding its financial position and activities according to two classes of net assets that are based upon the existence or absence of restrictions on use that are placed by its donors: net assets without donor restrictions and net assets with donor restrictions.

<u>Without donor restrictions</u> - Resources available to support operations and are not subject to donor restrictions.

<u>With donor restrictions</u> - Resources that are subject to donor-imposed restrictions. When a donor's restriction is satisfied, either by using the resources in the manner specified by the donor or by the passage of time, the expiration of the restriction is reported in the financial statements by reclassifying the net assets from net assets with donor restrictions to net assets without donor restrictions.

The Board of Trustees has designated, from net assets without donor restrictions, net assets for a board-designated endowment. Net assets with donor restrictions are subject to donor-imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, such as those that the donor stipulates that resources be maintained in perpetuity.

### Note 1 - (continued)

<u>Contributions</u> - Contributions received are recorded as support without donor restrictions or support with donor restrictions according to donor stipulations that limit the use of these assets due to time or purpose restrictions. Grants and other contributions of cash and other assets are reported as support with donor restrictions if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions.

<u>Contributed Services</u> - During the year ended December 31, 2020, the value of contributed services meeting the requirements for recognition in the financial statements was not material and has not been recorded. No amounts have been reflected in the financial statements for other contributed services; however, a substantial number of volunteers have donated significant amounts of their time in relation to the Organization's program services and other activities.

Several Nutrition Program grants require the Organization to report the value of volunteer labor donated for meal distribution. Accordingly, the in-kind services have been estimated at approximately 18,000 hours in 2020. Using the Independent Sector Organization estimated value of volunteer time of \$28.54 per hour, the Organization estimated the value of the in-kind services at approximately \$513,720.

<u>Use of Estimates</u> - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates. Management periodically evaluates estimates used in the preparation of the financial statements for continued reasonableness. Appropriate adjustments, if any, to the estimates used are made prospectively based upon such periodic evaluation.

<u>Accounts receivable</u> - Grants, USDA, and other receivables are stated at the amount management expects to collect from outstanding balances. At December 31, 2020, there was no allowance for credit losses.

Revenue Recognition - The Organization has adopted the guidance under FASB ASC 606, Revenue from Contracts with Members, which requires the recognition of revenue when promised services are transferred to members in an amount that reflects the consideration to which the Organization expects to be entitled in exchange for those services.

<u>Program Service Fees</u> - Program service fees are billed when the service is incurred and are reviewed by the Organization for the amount earned and, if necessary, adjusted at year end.

<u>Grants</u> - Some grants the Organization receives are cost reimbursement. They are billed after the cost has been incurred and are reviewed by the Organization for the amount earned and, if necessary, adjusted at year end.

### Note 1 - (continued)

The Organization adopted the guidance under FASB ASC 405-20-40-1 in regards to recognition of the proceeds of the SBA Paycheck Protection Program (PPP) loan. The proceeds of the loan are recorded as a liability until the loan is forgiven and the Organization is legally released from the liability. The Organization received a PPP loan of \$161,643 in April 2020 and it is recorded as a liability at December 31, 2020. The loan was forgiven in June 2021.

<u>Inventory</u> - Inventory consists of food and supplies for the nutrition program. Inventory is stated at the lower of cost or market, using the first-in, first-out (FIFO) method.

<u>Property and Equipment</u> - Property and equipment are carried at cost. Depreciation is computed using the straight-line and declining balance methods over the estimated useful lives of the assets. Expenditures for major renewals and betterments that extend the useful lives of property and equipment are capitalized. Expenditures for maintenance and repairs are charged to expense, as incurred. Depreciation expense for the year was \$129,321.

Donations of property and equipment are recorded as support at their estimated fair value. Such donations are reported as increases in net assets without donor restrictions unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as support with donor restrictions. Absent donor stipulations regarding how long those donated assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired assets are placed in service. The Organization reclassifies net assets with donor restrictions to net assets without donor restrictions at that time.

<u>Investments</u> - The Organization's investments in marketable securities with readily determinable fair values and all investments in debt securities are reported at their fair values in the statement of financial position. Unrealized gains and losses are included in the change in net assets. Investment income and gains restricted by a donor are reported as increases in net assets without donor restrictions if the restrictions are met (either by passage of time or by use) in the reporting period in which the income and gains are recognized. In 2020, the Organization incurred investment expenses of \$7,227 which is reflected in the investment income on the statement of activities.

<u>Fair Value</u> - The Organization has a number of financial instruments, none of which are held for trading purposes. The Organization estimates that the fair value of all financial instruments at December 31, 2020 does not differ materially from the aggregate carrying values of its financial instruments recorded in the accompanying statement of financial position. The estimated fair value amounts have been determined by the Organization using available market information and appropriate valuation methodologies. Marketable equity and US government securities are valued at quoted prices in active markets for identical assets (Level I). Considerable judgment is necessarily required in interpreting market data to develop the estimates of fair value, and, accordingly, the estimates are not necessarily indicative of the amounts that the Organization could realize in a current market exchange.

### Note 1 - (continued)

<u>Expenditures</u> - Expenditures are charged to each program based on direct expenditures incurred. Any program expenditures not directly chargeable are allocated to a program based on units of service, and support costs are allocated to a program based on total program costs.

<u>Advertising</u> - All advertising costs are expensed in the period they are incurred. For the year ended December 31, 2020, the Organization had no advertising expense.

<u>Income Taxes</u> - The Organization is a not-for-profit organization that is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code.

The Organization evaluates its uncertain tax positions and accordingly, a loss contingency is recognized when it is probable that a liability has been incurred as of the date of the financial statements and the amount of the loss can be reasonably estimated. The amount recognized is subject to estimate and management judgment with respect to the likely outcome of each uncertain tax position. The amount that is ultimately sustained for an individual uncertain tax position or for all uncertain tax positions in the aggregate could differ from the amount recognized. As of December 31, 2020, the Organization recognized no liability on uncertain tax positions.

- Note 2 <u>Construction in Progress</u> As of December 31, 2020, the Organization had costs of \$2,777,459 on ten uncompleted single family homes.
- Note 3 <u>Property, Buildings and Equipment</u> Property, buildings and equipment are summarized by major classifications as follows:

- Note 6 Springwood Center Building In 2012, the Organization completed construction on the Springwood Center, a 27,000 square foot three story mixed-use building, in Asbury Park, New Jersey. The building has four commercial units on the first floor. The second floor is home for the Asbury Park Senior Center, and the third floor consists of eight units of affordable rental housing. In April 2013, the Organization sold approximately 41% of the building to the City of Asbury Park at cost for \$2,998,733, that includes one unit on the first floor, and the entire second floor. In 2013, Interfaith Neighbors, Inc. transferred its 59% ownership of the building to 1201 Springwood Urban Renewal LLC which is combined in these financial statements, which includes the third-floor affordable housing units, and the remaining three units on the first floor. All affordable housing units were rented as of December 31, 2020.
- Note 7 Grants Received in Advance The Organization received government grants for the nutrition program in 2020 that were not expended until 2021. At December 31, 2020, the Organization has received grants of \$53,122.
- Note 8 Grant Revenue The Organization recognized grants from various governmental agencies in the amount of \$4,859,253. The use of these grants is restricted to certain approved expenditures. All expenditures for 2020 were made in accordance with grant provisions.
- Note 9 <u>Notes Payable</u> Notes payable at December 31, 2020 consists of the following:

- Note 12 <u>Board Designated Net Assets</u> The Board of Trustees has designated \$400,000 of net assets without donor restrictions as a general endowment fund to support the mission of the Organization. Appreciation and earnings in 2020 totaled \$17,476 for a total of \$445,425 at December 31, 2020. Since this endowment resulted from an internal designation and is not donor-restricted, it is classified and reported as net assets without donor restrictions.
- Note 13 Endowments The Organization's endowment consists of a donor-restricted fund and funds designated by the Board of Trustees to function as endowments. As required by generally accepted accounting principles, net assets associated with endowment funds, including funds designated by the Board of Trustees to function as endowments, are classified and reported based on the existence or absence of donor-imposed restrictions.

Investment Return Objectives - The Organization has adopted investment and spending policies, approved by the Board of Trustees, for endowment assets. The investment policies are for the conservation of principal, to generate regular income at a reasonable rate of return, for income and growth of principal as reasonably and safely as practical, and to be in accordance with the social principles and mission of the Organization.

Spending Policy - The Organization's Investment Committee shall determine within 45 days of the endowment fund's fiscal year end (December 31) the annual income earned from all endowment fund assets. Thereafter, the pro-rata percentage of the annual income attributable to gifts with donor restrictions shall be segregated from the full annual income and thereafter made available and distributed as requested by the initial donors.

### Note 13 - (continued)

Endowment net asset composition by type of fund as of December 31, 2020 is as follows:

Endowment funds with donor restrictions	\$ 216,336

As part of the Organization's liquidity management, the Organization structures its financial assets to be available as general expenditures and liabilities become due. The Organization also has a line of credit of \$500,000 with PNC Bank that is available for any expenditures.

- Note 15 <u>Functional Allocation of Expenses</u> The costs of providing programs and other activities have been summarized on a functional basis in the statement of functional expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited. Directly identifiable expenses are charged to the programs and supporting services. Expenses related to more than one function are charged to programs and supporting services on the basis of periodic time and expense studies. Management and general expenses include those expenses that are not directly identifiable with any other specific function but provide for the overall support and direction of the Organization.
- Note 16 Operating Leases The Organization leases 6 congregate nutrition site locations throughout Monmouth County. Rent expense was \$9,734 for the year ended December 31, 2020. All of these leases are contingent each year upon the renewal of the Monmouth County Nutrition Program contract. The minimum lease payments for 2020 are included in the following schedule.

The Organization also leases office equipment under operating leases for terms of three to five years. The lease expense was \$2,415 for the year ended December 31, 2020.

The following is a schedule, by years, of future minimum lease payments as of December 31, 2020:

Year ending December 31,	 Amount
2021 2022	\$ 5,863 525
2022	\$ 6,388

- Note 17 <u>Cash Flows</u> For purposes of the statement of cash flows, the Organization considers all unrestricted highly liquid investments with an initial maturity of three months or less to be cash equivalents. For the year ended December 31, 2020, the Organization had no payments for taxes and \$2,500 for interest expense.
- Note 18 Qualified Deferred Compensation Plan The Organization maintains a qualified deferred compensation plan under section 401(k) of the Internal Revenue Code. Under the plan, employees may elect to defer salary, subject to the Internal Revenue Service limits. The plan provides for the Organization to match 75% of employees' contributions up to 3% of salary. The Organization's contribution was \$23,140 in 2020.
- Note 19 <u>Concentrations of Credit Risk</u> The Organization maintains cash balances at several financial institutions which are insured by the Federal Deposit Insurance Corporation up to \$250,000. At December 31, 2020, the Organization's uninsured cash balances totaled \$1,205,242.
- Note 20 <u>Contingencies</u> In March 2020, by executive order, the State of New Jersey mandated non-essential businesses to close due to the Coronavirus pandemic and some restrictions continue as of the report date. The Organization has received assistance through SBA Coronavirus relief programs. Management has determined that although there has been some impact to operations, there are no material adjustments necessary as of the report date.

Note 21 - Subsequent Events - The Organization has evaluated subsequent events through December 8, 2021, which is the date the financial statements were available to be issued. In June 2021, the Organization purchased a property in Asbury Park for \$444,000 which will be developed into an Early Childhood Learning Center. The Organization is embarking on a capital campaign to raise \$18,000,000 for the construction of the Early Childhood Learning Center (\$3,000,000), construction of a new building for various programs and affordable housing (\$14,500,000), and an expansion of the Kula Urban Farm (\$500,000).

## INTERFAITH NEIGHBORS, INC. NOTES TO THE SCHEDULES OF EXPENDITURES OF FEDERAL, STATE AND COUNTY AWARDS DECEMBER 31, 2020

- Note 1 Basis of Presentation The accompanying schedule of expenditures of federal, state and county awards (the "Schedule") includes the federal, state and county grant activity of Interfaith Neighbors, Inc. under programs of the federal, state and county government for the year ended December 31, 2020. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of Interfaith Neighbors, Inc., it is not intended to and does not present the financial position, changes in net assets or cash flows of Interfaith Neighbors, Inc.
- Note 2 Summary of Significant Accounting Policies Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement. Interfaith Neighbors, Inc. has elected not to use the 10 percent de minimis indirect cost rate allowed under the Uniform Guidance. There was no pass through of federal awards. There were no noncash awards or loans.
- Note 3 Not Available (N/A) The Organization was unable to obtain another identification number.

Independent Auditor's Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with Government Auditing Standards

TO: THE BOARD OF TRUSTEES INTERFAITH NEIGHBORS, INC. ASBURY PARK, NEW JERSEY

I have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the combined financial statements of Interfaith Neighbors, Inc. (a nonprofit organization) and affiliates, which comprise the combined statement of financial position as of December 31, 2020, and the related combined statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the combined financial statements, and have issued my report thereon dated December 8, 2021.

### **Internal Control over Financial Reporting**

In planning and performing my audit of the combined financial statements, I considered Interfaith Neighbors, Inc.'s and affiliates' internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing my opinion on the combined financial statements, but not for the purpose of expressing an opinion on the effectiveness of Interfaith Neighbors, Inc.'s and affiliates' internal control. Accordingly, I do not express an opinion on the effectiveness of Interfaith Neighbors, Inc.'s and affiliates' internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements, on a timely basis. A material weakness is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's combined financial statements will not be prevented, or detected and corrected, on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

My consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during my audit I did not identify any deficiencies in internal control that I consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

### **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether Interfaith Neighbors, Inc.'s and affiliates' combined financial statements are free from material misstatement, I performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of my audit, and accordingly, I do not express such an opinion. The results of my tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

### **Purpose of this Report**

The purpose of this report is solely to describe the scope of my testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

### Independent Auditor's Report on Compliance for Each Major Program and on Internal Control over Compliance Required by the Uniform Guidance

TO: THE BOARD OF TRUSTEES INTERFAITH NEIGHBORS, INC. ASBURY PARK, NEW JERSEY

### Report on Compliance for Each Major Federal Program

I have audited Interfaith Neighbors, Inc.'s and affiliates' compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of Interfaith Neighbors Inc.'s and affiliates' major federal programs for the year ended December 31, 2020. Interfaith Neighbors, Inc.'s and affiliates' major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

### Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

#### **Auditor's Responsibility**

My responsibility is to express an opinion on compliance for each of Interfaith Neighbors, Inc.'s and affiliates' major federal programs based on my audit of the types of compliance requirements referred to above. I conducted my audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that I plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Interfaith Neighbors Inc.'s and affiliates' compliance with those requirements and performing such other procedures as I considered necessary in the circumstances.

I believe that my audit provides a reasonable basis for my opinion on compliance for each major federal program. However, my audit does not provide a legal determination of Interfaith Neighbors, Inc.'s and affiliates' compliance.

### **Opinion on Each Major Federal Program**

In my opinion, Interfaith Neighbors, Inc. and affiliates complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2020.

### **Report on Internal Control over Compliance**

Management of Interfaith Neighbors, Inc. and affiliates is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing my audit of compliance, I considered Interfaith Neighbors, Inc.'s and affiliates' internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, I do not express an opinion on the effectiveness of Interfaith Neighbors, Inc.'s and affiliates' internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

My consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. I did not identify any deficiencies in internal control over compliance that I consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of my testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
