

## John A. Vacchiano (Johnny Vacc)

NEPTUNE - John A. Vacchiano Jr. (Johnny Vacc), passed away peacefully on March 10, 2025.

John was a master carpenter, builder, contractor, mason, electrician, and plumber. You name it, he did it. He loved the work he did, not only for employment but also for

his own pleasure. There was no job too big or too small that he wouldn't take on if you needed him. He extended his talents to Interfaith neighbors in Asbury Park, NJ where he enjoyed working for 23 years. He had deep love for Elvis Presley. Some were even lucky enough to see him perform and impersonate him! John loved to fish, either alone in between a job, or with his grandsons, that's where he found his enjoyment. He enjoyed playing bocce ball and Thursday dinners with the "guys". John will be deeply missed by all who he touched.

He was predeceased by his parents John and Marie Vacchiano, and his sister Julia.

John is survived by his daughter Dana (Brick, NJ), two grandsons Tyler John Rossback (Tampa, Florida) and Sean Douglas Rossback (Eatontown, NJ), brother Frank Vacchiano (Gainesville, Florida), his son in law, Doug Rossback, and his goddaughter Dani-girl.

Private services, family and close friends only.

Arrangements entrusted to Francioni, Taylor & Lopez Funeral Home.
